

## English

The Förderverein (support group) is a non-profit association formed by pupils' parents and other interested persons. Our goal is to give financial and active support to educational school projects, as well as to provide a platform for parental participation and collaboration in school life.

### Examples of our activities include:

- Sponsoring sports, music and other equipment used at school, f. e. recently: Christmas trees, a music/sound system, pictures in the school canteen, arts & crafts materials for the free-time activities at school
- Contracting staff for extracurricular courses.
- Looking for generous sponsors

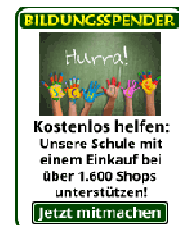

### If you would like to support our work, there are various ways to collaborate:

- Register as a member. Fill out the form and bring it to the school's secretariat or put it into the letter box of the Förderverein in foyer. The form you can find at the door of secretariat or here:

[www.fv-katharina-heinroth-grundschule.de/deutsch](http://www.fv-katharina-heinroth-grundschule.de/deutsch)

(The minimal membership fee of 18 Euro per year and any additional donations are tax deductible.)

- Do your online shopping at popular E-commerce sites via our [www.bildungsspender.de/khgs/websearch](http://www.bildungsspender.de/khgs/websearch) (Sites like eBay, IKEA, Decathlon and many more will then automatically donate a percentage of your order price to the Förderverein, while you pay the same.)

- Bake a cake or prepare finger food for our pastry sales at the school festivities.

You are always welcome to join the regular meetings announced on the web page, or contact us via email at [fv-katharina-heinroth-grundschule@email.de](mailto:fv-katharina-heinroth-grundschule@email.de) (we speak English, German and Polish)

**The Förderverein works voluntary; board members are not paid for their engagement.**
